HOW DO WE DO IT?

1

REQUEST FOR INFORMATION

We attend to the request by the client to find negative information on the Internet.

2

CONTENT CLASSIFICATION

We share with the client the negative publications found on the Internet by our experts to protect their reputation.

3

CONTRACT DOCUMENTATION

We provide the client with a private contract between parties, specifying the information to be eliminated, the estimated time, the value and the guarantee of success.

4

CONTENTS NEGATIVE AND RESPONSIBLE

We identify websites with negative information and the people responsible for this content.

5

MANAGEMENT FOR DISPOSAL

Our team of professionals, accompanied by different tools, analyze the content to proceed with its elimination or modification.

6

PROGRESS MONITORING

The client can monitor at any time, from his/her computer or mobile, the results obtained progressively.

7

INFORMATION REMOVED

Negative and reputational damaging content for our client has been successfully removed.

WE HAVE THREE ESSENTIAL PROCESSES TO PROTECT YOUR PRIVACY:

ELIMINATION

TOTALLY REMOVED CONTENT FROM THE INTERNET AND ITS SEARCH ENGINES (GOOGLE, BING, YAHOO!, ETC). IT IS ALSO REMOVED FROM THE SOURCE OF THE WEB.

MODIFICATION

UNWANTED CONTENT IS MODIFIED BY REPLACING THE NAME OF THE PERSON OR ORGANIZATION WITH HIS/HER/ITS INITIALS.

DE-INDEXING

CONTENT IS REMOVED FROM SEARCH ENGINES. WHEN CONSULTING IN SEARCH ENGINES, THE CONTENT CAN NO LONGER BE LOCATED.

Now that you know **Remove**.
